

Good morning SRCUS Class of 2019,

My name is Mitch Shaffer and I will be your instructor for the session on Project Management. In order for you to get the most out of my session, I would like to learn more about project management at your credit union. This will allow me to understand your familiarity with project management and its impact at your institution. I am really looking forward to sharing some knowledge with you that will be to your advantage no matter what position you hold at your credit union.

The survey will be completed online and should take around 10 to 15 minutes to complete. I encourage you to complete the survey and provide us with your honest assessment of project management at your credit union. The survey will close next Friday, May 26th.

To participate, please click the link below to start the survey.

Thank you in advance for completing the survey. I truly value your insight and look forward to incorporating some of the data into class discussion. I look forward to seeing you in a few weeks at SRCUS
